of directors of the venture center would have to be comprised of high-level business executives, the presidents or chief operating officers of business associations, partners in institutional investment businesses, and executives from technology transfer organizations. The venture center organization would be required to collaborate with governmental and academic economic development organizations working for improvement of Wisconsin's technology business sectors. There would be no requirement that a venture center be formed.

8. FINANCIAL ASSISTANCE PROGRAM AND REPORT CONSOLIDATION

Adopt the provisions of LRB2783/P1 that would eliminate and consolidate a number of Department of Commerce and other agency financial and technical assistance programs and reports. Specifically, the following programs would be eliminated:

a. Department of Agricultural and Consumer Protection -- Sustainable agriculture grants. *not pay wants to travel producers*

b. Wisconsin Housing and Economic Development Authority -- Beginning farmer program.

c. Department of Commerce -- Minority nonprofit corporation grants; minority incubator grants; industrial building construction loan fund; community-based economic development revolving loan fund grants; rural economic development loans to businesses in low-income areas; minority business finance and education and training grants; gaming economic development loans; and technology-based economic development technical assistance general functions and information exchange. In addition, authority, to retain WDF funding for administrative costs would be deleted.

Current law economic development reporting requirements would be consolidated to require Commerce to file an annual consolidated report with the chief clerk of both houses of the Legislature by October 1, assessing economic development programs administered by the Department including investments that would enhance economic development, industrial revenue bond financing, new business formation, Forward Wisconsin, the Main Street program, clean air act compliance, brownfields grants, Business Employees' Skills Training program, Certified Capital Companies, the business development assistance center, an inventory of entrepreneurial assistance programs, and technology-based economic development activities. The Department would also be required to provide a report to the appropriate legislative standing committees on the disposition of funds from federal housing assistance programs.

In addition to provisions in the draft legislation, all state agencies would be required to develop clear, measurable goals tied to the grant and loan programs they administer including: (a) establish specific programmatic goals and ensure that each goal is related to specific legislative policy objectives; (b) establish at least one quantifiable benchmark for each program goal; (c) specify in contracts with grant and loan recipients the type of information on actual performance that should be reported, and specifying the frequency and format for reporting

requirements; (d) compare information on projected or anticipated results of each goal with actual outcomes; and (e) from a sample of grants and loans, independently verify information contained in the reports annually.

Also Commerce would be required to include in its annual report; (a) the number of grants and loans awarded; (b) the amount of each grant and loan; (c) the recipient of each award; and (d) the total amount of grants and loans received by each recipient.

9. WHEDA SURPLUS TRANSFER FOR HOUSING PROGRAMS

	Chg. to JFC
PR	- \$2,000,000

Include the Governor's recommendation, but not the Joint Finance modification, related to the transfer of Wisconsin Housing and Economic Development Authority (WHEDA) unencumbered reserves to Commerce for housing programs. This would provide a transfer of \$2,000,000 each year from WHEDA reserves to be appropriated under Commerce on a one-time basis in the 2007-09 biennium for housing costs grants and loans. It would delete the Joint Finance additional transfer of \$1,000,000 each year from WHEDA reserves for Commerce shelter for homeless and transitional housing programs.

10. DIESEL TRUCK IDLING REDUCTION GRANT PROGRAM

	Chg. to JFC
SEG	- \$2,000,000

Delete the Joint Finance provision that would have increased the funding for the diesel truck idling reduction grant program from \$1,000,000 petroleum inspection fund SEG annually to \$2,000,000 SEG annually, and would have made changes in program eligibility. The diesel truck idling reduction grant program was created in 2005 Act 25 to provide grants to truck companies for the purchase and installation of idling reduction units. The units are installed on a diesel truck tractor to reduce the long-duration idling of the truck by providing heat, air conditioning, or electricity to the truck while the truck is stationary and the main drive engine of the truck is not operating.

11. GRANT TO CREX MEADOWS YOUTH CONSERVATION CAMP

	Chg. to JFC
PR	- \$80,000

Delete the Joint Finance provision that would have provided \$80,000 in 2007-08 from Safety and Buildings Division general program revenues as a grant for the Crex Meadows Youth Conservation Camp in Grantsburg (Burnett County).

12. DISPLAY OF BUILDING PERMITS

Delete the Joint Finance provision that would have required a person to display all of the building permits at the same location at the building site.
